

The Cottage Gardener Announces “The Affordable Grass Act”

It's January so what better time to roll-out our newest lawn program designed to provide coverage to home owners who don't want to mow their own lawns or are looking for a new provider. The “AGA” is just the ticket for you!

What Makes The “AGA” Different

- *No Season Long Contract Required*
- *You set the frequency - weekly or as needed*
- *Each Service Includes: Mowing, Edging, and Blowing off of all Hard Surfaces*
- *Discounts Off Other Services*
- *Each Lawn Priced on Lot Size and Configuration*

So it's that simple, no co-pays, no complex subsidies to figure out, you can't get fined by the IRS if you decline the “AGA”, and we accept pre-existing lawn conditions.

Want to enroll? You can go to our website(it actually works) and submit a contact us request, shoot us an email, or give us a call. And most important of all, if you like your current provider you can keep 'em - that's the truth!
